

# CONNECTED FUTURES

## Research & Prototyping Challenge

Up to \$25,000 in grants available

Presented by

**NYC MEDIA LAB**

Sponsored by

**verizon**

University teams are eligible to apply for up to **\$25,000** for a research and prototype project in these Challenge areas:

- Smart home
- Empowering citizen journalism
- Virtual reality and interactive experiences
- The connected future without phones

### How to apply in 3 easy steps:

- Form your team to commit to your Challenge area and designate whom the Lead Applicant will be to represent the team.
- The Lead Applicant will submit an application by December 15, 2015.
- All applicants will hear back about their application decision by December 18, 2015.

Check [bit.ly/VerizonChallenge](http://bit.ly/VerizonChallenge) for the application and for details on an upcoming information session at a NYC campus near you. Faculty, researchers and students from accredited NYC universities are eligible to apply.
